"Bobby is an amazing brand partner. He always puts our partnership front and center in all campaigns, releases, posts and stories. Rare to find an artist that champions their sponsors as much or as well as Bobby Keller." - Tommy Armstrong-Leavitt, EMG Pickups

- **ESP Guitars - USA/JAPAN**

"Listening to Bobby Keller is like sampling a tasting menu of some of the finest guitar playing out there right now. His phrasing, articulation, energy, tone and stage presence is a pure pleasure on one's auditory and visual pallet. It's hard to believe he's only been playing guitar since 2009. It's a privilege to have Bobby as part of our ESP family of talented artists. Oh yeah, he's truly one of the nicest fucking human beings you'll ever meet too!" - Jeff Moore, Senior VP ESP Guitars
